Financial Information

*"A dictionary teaches a child how to approach a problem and use **critical thinking skills** by sounding out the word and finding it in the dictionary. This simple task gives them a feeling of **self-confidence** and satisfaction that they cannot get online."*

The Dictionary Project is a 501(c) (3) nonprofit organization

Our goal is to assist all students to become good writers, active readers and creative thinkers by providing students a gift of their own personal dictionary.
